

D  
Hang down your head Tom Dooley,  
A  
Hang down your head and cry,

Hang down your head Tom Dooley,  
D  
Poor boy, your bound to die,

D  
I met her on the mountain,  
A  
and there I took her life,

Met her on the mountain,  
D  
stabbed her with my knife,

D  
Hang down your head Tom Dooley,  
A  
Hang down your head and cry,

Hang down your head Tom Dooley,  
D  
Poor boy, your bound to die,

D  
This time tomorrow,  
A  
reckon' where I'd be,

Hadn't been for Grayson,  
D  
I'd been in Tennessee,

D  
Hang down your head Tom Dooley,  
A  
Hang down your head and cry,

Hang down your head Tom Dooley,  
D  
Poor boy, your bound to die,

D  
This time tomorrow,  
A  
reckon' where I'll be,

Down in some lonesome valley,  
D  
hangin' from a wide oak tree,

D  
Hang down your head Tom Dooley,  
A  
Hang down your head and cry,  
Hang down your head Tom Dooley,  
D  
Poor boy, your bound to die,

D  
Hang down your head Tom Dooley,  
A  
Hang down your head and cry,  
Hang down your head Tom Dooley,  
D  
Poor boy, your bound to die.
